6. IMPORTANT INFORMATION

Use this form to make an irrevocable election to recharacterize ("unwind" or "reverse") your IRA contribution.

- UMB Bank, na. c/o UMBFS, 803 W. Michigan Street, Milwaukee, WI 53233, is the Custodian of both the from IRA and the receiving IRA.
- The election to make a recharacterization must be made before the due date, including extensions (usually October 15) for filing your Federal income tax return for the year that the contribution was designated.
- This recharacterization is reportable to the IRS. Tax forms detailing the recharacterization of your IRA will be issued to you and the IRS. The amount recharacterized as a result of this transaction will be reported on IRS Form 1099-R as a distribution from your IRA described in Section 2 of this form, and on IRS Form 5498 as a recharacterized contribution to the IRA described in Section 3 of this form.
- If you are establishing a new IRA as a result of this recharacterization, please complete an IRA Application form.
- If you are recharacterizing a contribution that was converted to a Roth IRA, the conversion contribution must be recharacterized to the original type of IRA. For example, a contribution that was converted from a SEP-IRA to a Roth IRA may not be recharacterized to a traditional IRA. The contribution must be recharacterized to the original type of IRA, in this case, a SEP-IRA.
- You cannot immediately reconvert recharacterized IRA assets to a Roth IRA. You may not reconvert the amount to a Roth IRA until the later of 30 days after the recharacterization or January 1 of the year following the prior conversion. If you do wish to reconvert your recharacterized IRA assets to a Roth IRA, an IRA Distribution Request Form is needed after the elapsed time frame.
- Contact the IRS or your tax advisor to confirm that applicable regulations have not changed since the printing of this form. If you have any questions regarding the tax consequences of this recharacterization, consult your tax advisor.
