**AFTER SIGNIFICANT ASSET GROWTH OBERWEIS INTERNATIONAL OPPORTUNITIES FUND REACHES CAPACITY AND WILL CLOSE FOR NEW SUBSCRIPTIONS**

The Oberweis International Opportunities Fund (OBIOX) and the Oberweis International Opportunities Institutional Fund (OBIIIX) will be closing June 9, 2017 to most subscriptions, pursuant to the terms of the prospectus.

By limiting assets in our international small-cap funds, OAM is better able to remain nimble in implementing the firm's investment strategy. OAM is grateful for the tremendous support and trust our team has received during the last decade of asset growth.
