This information is required by federal regulations as a means to identify and document information for individuals who own and/or control a legal entity.

To help the government fight financial crime, federal regulation requires certain financial institutions to obtain, verify, and record information about the beneficial owners of legal entity customers. A legal entity includes a corporation, limited liability company, or other entity that is created by a filing of a public document with a Secretary of State or similar office, a general partnership, and any similar business entity formed in The United States of America or a foreign country. A legal entity does not include sole proprietorships, unincorporated associations, or natural persons opening accounts on their own behalf.

Do not complete if the entity is publically traded on an exchange or subject to ERISA.

Beneficial Owners

Identify each individual who owns—directly or indirectly through any agreement, arrangement, understanding, relationship, or otherwise—25% or more of the equity interests of the legal entity.

Check this box if no individual owns 25% or more of the legal entity and that you will inform the Fund if/when an individual assumes 25% or more ownership.

The Fund is responsible for tracking and reporting to the IRS, your realized gains and losses on covered shares. In general, these are shares acquired on or after Jan. 1, 2012. Purchases or transfers made into your account with shares acquired prior to January 1, 2012, are referred to as non-covered shares. For all methods except Specific Identification, the fund redeems non-covered shares first until they are depleted and then applies your elected method to your remaining covered shares.

The Fund's **default** tax lot identification method is **Highest In, First Out Long-Term (HIFL)**, which means share lots with the highest cost, long-term will be sold first. You may choose another method below. If no option below is selected, your account will use the Fund's default method. If you are using Average Cost as your method, by signing this application you agree to use the fair market value of the shares if the gift is at a loss. **IRS Regulations do not permit the change of the method on a settled trade.**

- FIFO — First In, First Out (Share lots purchased first will be sold first.)
 - LIFO — Last In, First Out (Share lots purchased last will be sold first.)
